

March 23, 2026

Dear Chair Bennett and members of the Committee,

My name is Christopher Cheney, I live in Providence, and I am submitting testimony in support of bill 7912. This bill would create gradual change to clean and reliable heating systems through incentives, steering us in the direction we need to be heading. These heating systems would reduce greenhouse gas emissions, improve air quality, and protect us from fuel sources that can be easily disrupted.

Sincerely,
Christopher Cheney
