Subject: Natural Forest Protection Act H 7914

You don't often get email from eedickson50@gmail.com. [Learn why this is important](#)

To Whom it May Concern,

Please consider supporting the Natural Forest Protection Act H 7914. With increasing pressures from industrial and forestry developments, it is important to protect remaining natural areas in Rhode Island by creating natural area preserves and requiring environmental review of proposed logging areas, particularly of old growth forests. These actions will support the ecosystems of our State, important both for maintaining biodiversity and quality of life for our citizens.
