Subject: Vote YES on the Natural Forest Protection Act H 7914

You don't often get email from mjfrazier1@gmail.com. [Learn why this is important](#)

Dear Chairman Mansolillo and Committee Members,

I urge you to vote **yes** on the Natural Forest Protection Act H 7914. Rhode Island is the only NE state without such protection of critical plots of old growth and core forest areas. This bill would protect public forests in their natural state from clear cut logging. I am also in favor of supporting biodiversity of flora and fauna within our beautiful state.

Thank you,

Margaret Frazier
