I am Virginia Greenwood, 55 Quicksand Pond Road, Little Compton, RI, writing in support of the provisions of H7194 to protect our vital forest resources for our health and the health of our planet. I understand Bill H7194 is scheduled to be discussed in committee and, I hope, passed out of committee for vote by the House. We need to enhance the protections of our natural resources for our own sakes and for the sake of generations to come.

Thank you
