Providence, RI, 02903

Dear House Committee on Environment and Natural Resources:

My name is Aurora Mejia. I am a community member who resides in East Providence, Rhode Island, and I urge you to support the RI Recycling Reform Bill (H7911). I support this bill because it will protect RI's marine habitats and people from the effects of microplastics and pollution.

Thank you for your time and consideration.

Sincerely,

Aurora Mejia
