**Subject:** hell no to cops in every school! !!!!

My name is Allison Palombo and I am FIRMLY AGAINST adding cops to schools and Bill #h8310.

This can't even be called a lazy solution because there is not one ounce of data that cops (in or out of schools) are effective at stopping school shootings.

However there is ample data that illustrates why cops in schools are damaging, especially to communities of color.

This bill perpetuates systemic racism and also is not a solution to school safety in any way.
