Subject: H8310

I am a resident of Providence, teacher in a public charter school for 14 years, and a parent of two future public school children. Please don't put cops and resource officers in our schools. They won't make us safer or feel safer. Please consider adding more counselors instead. We need to support this problem, not police it. If we want any hope of this getting better, please find counselors and not cops.

Sincerely,
Emily Spikell Sullivan
6th grade teacher
