Subject: H8310 - OPPOSED

Hi -

My name is Stephanie Meuse, an East Providence resident, mom and 4th grade teacher in Central Falls.

I am writing today to express my strong opposition to H8310.

There is an abundance of evidence showing that schools with officers on site are less safe, for both students' mental and physical health. There is zero empirical data supporting a move to fund police officers over other much needed resources in our RI schools - like counselors.

Please vote this bill out of the house.
