**Re: Support for House Bill 7298 "Medicaid Home Care Rate Increases"**

Dear Chairman Abney and Members of the Finance Committee,

As you know, Rhode Islanders now more than ever need community-based services. You are keenly aware of the challenges facing providers. I do not need to belabor you with the statistics. We need an increase to help with retention of our workers. Please support House Bill 7298. Thank you in advance. Please contact me with any questions at (401) 359-0333 or [loup333@gmail.com](mailto:loup333@gmail.com).

Sincerely,

Louis Paolino
