**Subject:** SUPPORT H7225, Article 3, Section 17

I support H7225, Article 3, Section 17 because the lead laws are a good thing but not when contractors can take advantage of the 7 months to comply with the way it is written. The law also only leaves 3 months this summer to paint exteriors which also doesn't factor in rain days. The extra year would help immensely.

Thank You,  
John Gifford
