In Support of H-7251

Dear House Finance,

Thank you for the opportunity to present this written testimony. I am in strong support for **Susan Donovan's bill, H-7251, the Early Educator Compensation Stabilization Act.**

It has helped me in many aspects of my life. It has helped me pay for school and the health needs of my family. I think that it has been a big help and has had a big impact for daycares and the providers now that the cost of life has become very expensive and it has been a big resource. The Early Educator Compensation Stabilization Act will invest \$2.5 million to continue the Child Care WAGE\$ national model program, to provide substantial wage supplements to recognize, reward, and retain qualified and skilled early educators with CDAs, associate's, and bachelor's degrees. This program will end in summer 2024 without new funding.

This act will also invest \$5 million to continue retention bonuses at \$3,000 per year for some early educators, those who are lower-wage, consistent, frontline child care staff, beyond the projected end date in September 2024 to prevent loss of staff/closure of more classrooms and program.

Our child care providers are essential workers. They are being underpaid and undervalued. They deserve our investment, and it cannot wait. Please support the **Early Educator Compensation Stabilization Act.**

Sincerely,

Confesora Cordero
