In support of H-7251

Dear House Finance Committee,

Thank you for the opportunity to present this written testimony. I am in strong support for **Susan Donovan's bill, H-7251, the Early Educator Compensation Stabilization Act.**

The supplement has made an impact on my mental health. After receiving the funds, I was able to catch up on bills and buy food to feed my kids. This was a huge help. I actually cried.

The Early Educator Compensation Stabilization Act will invest \$2.5 million to continue the Childcare WAGE\$ national model program, to provide substantial wage supplements to recognize, reward, and retain qualified and skilled early educators with CDAs, associate's, and bachelor's degrees. This program will end in summer 2024 without new funding.

This act will also invest \$5 million to continue retention bonuses at \$3,000 per year for some early educators, those who are lower-wage, consistent, frontline child care staff, beyond the projected end date in September 2024 to prevent loss of staff/closure of more classrooms and program.

Our child care providers are essential workers. They are being underpaid and undervalued. They deserve our investment, and it cannot wait. Please support the **Early Educator Compensation Stabilization Act.**

Sincerely,

Eboney Brown
