Subject: Bills H6238, H 8198/S0450, and H 5318/S025

April 21, 2025

I am writing to request that the **Bills H6238, H 8198/S0450, and H 5318/S025** be sent to the floor of the elected representatives for a vote, and not be held in committee. You have heard the stories of the hardships retirees are living with because of the "reforms" of the pension system back in 2011 and 2015.

I was directly and negatively affected by these changes. I am receiving about $\frac{1}{4}$ of the pension I was to get in retirement (if the changes were never made). Factoring in inflation and the high cost of everything, I must continue to work even though I am retired. Bottom line, we were robbed as a result of the changes!

The money is in the system, the money is ours, and it was taken away from us. This is your opportunity to correct this wrong, this big mistake made over a decade ago. Please do the honorable thing and send those Bills to the floor.

Thank you,

Santa Iadevaia, Ed.D.
