**To:** House Finance Committee  
**Subject:** Approve H-6238

My name is Margaret Angilly . I am a retired Warwick teacher  
I retired in 2002 after 30 years teaching. I am feeling the affects of no COLAS for all this time. My quality of life is not the same and I fear it will just continue to decline.

I am asking for support of H-6238

I live at 23 Bay View Ave in Warwick.  
Sent from my Verizon, Samsung Galaxy smartph
