Subject: Support for H 6149 MOW Fund

Hello,

I am a volunteer with Meals on Wheels and I am writing to support the above bill. Our clients depend on us to bring them daily meals as well as check up on them. Sometimes the MOW volunteer is the only person they talk to all day. So many elderly in our state are isolated and in need of help.

I support this bill because it makes it easier to donate to MOW. Let's make RI a place that looks out for our elderly.
