

Testimony in Support of H5203: Schools Funds and Property

Barbara Walsh. 62 Frederick Street, Warwick, RI 02888

Date of Hearing: April 29, 2025

To Chair Abney and the honorable Members of the House Finance Committee:

This is a great bill. It tackles several difficult issues we are facing as a state and globally. Any reasonable efforts that can be taken to reduce deadly and destructive carbon emissions should be taken. This bill would facilitate those goals as well as save fuel and electric costs for taxpayers. This only makes sense. Please support this bill.
