Subject: I Support H 5529, Please consider Approval H 5529

To whom it may concern,

As a Resident Service Coordinator for many years here in North Providence, RI and now a Property Manager in elderly/disabled housing, I see many elderly/disabled residents struggling with all kinds of insecurities due to their medical bills at times. The increase in the maximum amount allowed to be eligible in the MSP program should be raised to better reflect the increase in living standards today. I, Gina Milazzo Collins support H 5529.

Best Regards,
Gina Collins
Property Manager
