Hello. My name is Kamila Barzykowski; I live in Warwick, RI. I am writing in support of H5529, to increase the income eligibility amount for the Medicare Savings Program.

Many lower-income older Rhode Islanders and people with disabilities need this assistance in order to be able to afford their Medicare Part B coverage. We need to help the lowest income elders and people with disabilities among us. When people are struggling to pay for food and rent, giving them these extra funds that are saved from medical premiums, can go a long way.

Thank you for your consideration.
