

Memo

Date: April 29, 2025

To: Honorable Marvin Abney, Chair of the House Finance Committee
The Honorable Members of the House Finance Committee.

From: Jose Rafael Gamboa, Vice President Relationship Management

Subject: House Bill, 2025-H 5973

Since the launch of Rhode Island's ABLE Program in December of 2016, Ascensus has not received a Medicaid Recovery request. It's important to highlight that in calendar year 2024, Ascensus processed 12 recovery requests and 4 in 2025 across the 70,000 accounts that we support spanning across 22 states and the District of Columbia. Of the 16 requests in 2024 and 2025, there were 0 requests for RI's ABLE Plan. This is a testament to the program's effectiveness and its positive impact on the community. We appreciate your interest in our program and its outcomes. If you have any questions about these results, please feel free to reach out.
