Representative Marvin Abney, Chair
RI House Finance Committee

Dear Chairman Abney and esteemed members of the House Finance Committee,

I am writing in support of House Bill 5473, also known as the "Revenue for Rhode Island" bill, sponsored by Representative Karen Alzate.

The working class of providence is already being pushed to the limit of what they can afford. The gaps left by Trump's cuts of organizations are going to affect us all but especially those with lower income. As the wealth gap grows the only way forward is taxing the rich.

Respectfully,
Greta Scheing
