

Vrenely Espinosa

I, Vrenely Espinosa am a resident of Pawtucket and I am in support of HB 5473. It is imperative that we have programs for our low income and immigrant families because they are the ones who need it the most. In my time period there were many programs that helped children that kept them involved with their schools. This helped our children to stay off the streets and provide a safe and educational environment. The SNAP program is also very important to me because of the high cost of food.

Sincerely,

Vrenely Espinosa
