Subject: support for H5477 from Barry Schiller

Dear House Finance Committee

I'm writing to support H5477 which is intended to bolster our "Main St" districts, broadly defined, with a relatively small investment of \$500,000 to get the program fully underway. I think our main streets are important to almost every community cuddling here in North Providence such as in Centerdale. Please support this bill.

I thank the sponsors and the Committee for considering my views

Barry Schiller, North Providence
