Subject: Stupid proposed boat taxes while Trump destroys our economy

Why would you propose tax increases of any sort while we are experiencing the results of Trumps moronic economic "executive orders"

My email does contain my name, Albert Ibbotson and ny wife's name Lei-Ann Ibbotson And the bill we are angry about - bill H6256!!!!

And here is my address on the water.

1100 Anthony Road, Portsmouth, RHODE ISLAND
02871

I boat and work in the marine industry sometimes as well.

The present tax status is the reason I moved here in 2017

I'm no group member, but rather an individual as is my wife.

Overtaxed citizens!!!

This is as stupid as the first round of film tax credits where you stupidly thought you'd prefer 100 percent of nothing over 75 percent of millions of dollars

Wake up

Again I write this

"Dear House Finance Committee,

As a Rhode Island boater, I strongly oppose H6256.

Reinstating a tax on boats will drive both boaters and marine-related businesses out of state, threaten local jobs, and negatively impact our economy.

Please vote NO on H6256. Don't sink Rhode Island's Marine industry.

Sincerely,

Albert and Lei-Ann Ibbotson

H6256, No, personally.
