Subject: Medical Student Testimony in Support of Proposed House Bill No. 5991
Attachments: Testimony in Support of House Bill No. 5991.pdf

Dear House Finance Committee,

I hope all is well. I attach my testimony in support of HB 5991 Medical assistance expansion for pregnancy/Rite Start. I had sent it over earlier in April but I'm not sure whether it was received. Let me know if you have any questions.

Thank you,
Alexander Pralea
