Dear House Finance Committee,

As a Rhode Island boater and business owner in the marine trades, I strongly oppose H6256. Reinstating a tax on boats will have a direct impact on my business Leading Edge Composites LLC which has been in business in Rhode Island since 2001. Please vote this bill down for all the folks who I have been working with for over 20 years. We plead with you to not put our jobs in jeopardy.

With much appreciation,

Chris Prior
