To: House Finance Committee
Subject: Boat tax.

Ri cost of living is already one of the highest in country. All you will do is hurt people and the wealthy will just leave faster than they already are.

Lie within your means. Stop spending cut taxes to help people not hurt them.

On a personal level the only reason I bought a house in ri is to keep my boat here. Now you will make it unaffordable even more than it already is. Florida here I come.
