**Subject:** Concerned (and a bit miffed) Rhode Island Boater

As a Rhode Island boater, I strongly oppose House Bill 6256 and urge the committee to reject this bill. This tax would harm the marine industry, local businesses, and our boating community.

I'm sure a study of the economic impact of this repeal would reveal that it will have extremely detrimental consequences to the Ocean State.

If RI wants to remain the sailing capital of the east coast, vote no!
