

Dear members of the House Finance Committee,

I strongly oppose taxing boats in RI. It's one of the few ways that we attract out of state boat owners to spend their money docking their boats in RI, using our services, ect.

Also, RI relies heavily on our marine trades for jobs. We don't want to do anything to disrupt that.

Tariffs are bad enough, please don't add insult to injury by adding more taxes to RI.

Thanks,
