

As a Rhode Island boater, I strongly oppose H6256. In addition, we have moved our company that services the marine industry to Rhode Island. We have 25 people working for our company in Quonset Industrial Park. Any major change like this will negatively impact the local market.

Reinstating a tax on boats will hurt everyday Rhode Islanders by pricing us out of access to our waters, driving both boaters and marine-related businesses out of state, threatening local jobs and negatively impacting our economy.

Please vote NO on H6256. Don't sink Rhode Island's marine industry.

Sincerely,
