Subject: Fwd: BILL #6256

It is with both concern and sorrow that I write to you. As Massachusetts residents we spend every weekend in RI boating. Not only do we purchase gas for our boat and truck in RI, we purchase boat supplies, groceries and dine out in RI restaurants.

I'm not sure how many vessels are in RI but I'm thinking it must be tens of thousands. Many boat owners will likely pull their boats out and/or sell their boats. This week be a huge economic loss for the Ocean State.

It is with strong conviction that I oppose BILL #6256

Sincerely,
Michele Houghtaling
