

## House Bill 6256

To: House Finance Committee

From: Robert Vieira

Quonset Davisville Navy Yacht Club

As a RI boater, I STROGLY oppose H6256.

Reinstating a tax on boats will hurt every Rhode Island boater by pricing us out of access to our beautiful waters. As a marine business owner, this will deeply affect my service business by threatening local jobs and my overall business.

Please vote NO on H6256. This will destroy our economy.

Do not sink RI's marine industry.
