

Dear House Finance Committee

As a Rhode Island boater, I strongly oppose H6256.

Reinstating a tax on boats will hurt everyday Rhode Islanders by pricing us out of access to our waters, driving both boaters and marine-related businesses out of state, threatening local jobs and negatively impacting our economy. There are so many rules & regulations now on the water it spoils the fun in boating

Please vote NO on H6256. Don't sink Rhode Island's marine industry.

Sincerely,
Stephen C. Wood
