Dear Chairman and Committee Members,

On behalf of the Immigrant Coalition and our 38 member organizations, I ask this Committee to support House Bill H5744, which would create a scholarship fund to support aspiring teachers seeking Bilingual Dual Language, or World Language certification

Bilingual Dual Language programs are now prioritized in Rhode Island's updated Multilingual Learner Regulations because they are proven to be the most effective for multilingual learners and deliver academic benefits for all students. Immediate investment and implementation are critical to meeting state mandates and ensuring educational equity.

A sustainable bilingual teacher pipeline is needed to grow dual language programs and stop the reliance on long-term substitutes. We urge this Committee to stand with us and build a stronger educator workforce for Rhode Island.

Sincerely,

Juan Pablo Ocampo Sheen, Coordinator
