

Dear Chairman Abney and Finance Committee Members,

My name is Jefferson Phan, and I am writing in strong support of House Bills No. 5744 and 5982. I am a RIC college student from Providence, and I care deeply about these bills. I support this legislation because I believe multilingualism is a strength and not a barrier.

This bill matters because:

Bilingual programs help all students succeed. Research shows that dual language programs lead to stronger academic outcomes—not only for multilingual learners, but also for English-dominant students. These programs close achievement gaps and promote advanced learning in two languages.

Multilingualism is key to Rhode Island's future workforce. More than 90% of employers seek workers with language skills. Investing in bilingual education prepares students for real-world careers, supports business development, and strengthens the state's economy.

It promotes equity and addresses teacher shortages. Multilingual learners in Rhode Island are primarily located in under-resourced districts. This bill expands access to high-quality programs in those communities and helps build a pipeline of qualified bilingual educators by removing certification barriers.

I respectfully urge you to support this bill and invest in the academic success, workforce readiness, and equitable opportunities of Rhode Island's multilingual students.

Thank you,
Jefferson Phan
