

Hi,

My name is Abby Livingston and I am in support of Bill H6020.

I'm a 29 year old who was raised in Barrington and is now living in Providence. I use RIPTA to get groceries, to meet friends, and to get home safely after grabbing drinks at the bar. This fall, before I bought my car, I was using RIPTA daily to get to and from a nannying job in Barrington.

So many people need this service. Young people, elderly people, kids coming home from school, adults getting to and from work.

We are already way too car-centric. Please, don't take this fatal blow.

Again I am in support of Bill H6020.

Sincerely,

Abby Livingston
