**RE: Rebuild Rhode Island Tax Credit Program – Submission of Testimony**

Dear Chairperson and Members of the Committee,

I represent Organogenesis Holdings, Inc. (the “Company”), an applicant and recipient of Rebuild Rhode Island Tax Credits. The Company intends to submit written testimony in support of the Rebuild RI program for consideration by the Committee.

Due to this week’s storm-related office closures and scheduled earnings calls associated with the Company’s public reporting obligations, their formal letter of testimony will be submitted after the hearing. The delay is temporary, and they remain eager to provide input highlighting the program’s importance to continued economic development and investment in Rhode Island.

We appreciate your consideration and understanding, and we respectfully request that their testimony be accepted and included in the record once submitted. Please do not hesitate to contact me if additional information would be helpful.

Very truly yours,

/s/ Joseph P. Carnevale  
Joseph P. Carnevale, Esq.  
Counsel for Organogenesis Holdings, Inc.
