Chairman and members

Dear Representatives,

We are a group of Baha'is who host an annual Race Amity Day observance on the second Sunday in June. The Baha'i Faith is a religious organization whose principles include the abolition of prejudice of all kinds.

We write in support of the essential work accomplished by the Commission for Prejudice and Bias. We ask that you approve Resolution 8207 granting \$100,000 to the RICPB.

Thank you for your attention.

Sincerely,
Nancy Szenher
Chair of the Race Amity Day Planning Committee
