

Dear House Finance Committee members Tanzi, Roberts, O'Brien, Hull, Nardone, Edwards, Cortvriend, Finkelman, Marszalkowski, Alzate, Diaz, Baginski, Abney, Slater and Blah

I am outraged to learn that Rhode Island gamblers are propping up the cruelty of dog racing here in 2026. Rhode Islanders asked for this to stop more than a decade ago. Fragile greyhounds are suffering terrible injuries and dying just so someone can bet on them. Treatment of these animals is cruel and often neglectful.

We outlawed this activity in 2010, more than a decade ago. Please shut greyhound gambling down once and for all and Vote Yes on H. 8217.
