

Testimony in support of H8144: 2026 Bond Referenda

Barbara Walsh, 62 Frederick Street, Warwick, RI 02888

Date of Hearing: April 14, 2026

To: Chair Abney and the Honorable Members of the House Finance Committee

The addition of \$10,000,000 to this bond for conservation of farm and open space land truly makes this a green bond. There is so little of these types of resources available in our state that this money will be well spent and will add to a more balanced use of the land left in Rhode Island. Thank you for supporting this bond issue.
