

RE: House Resolution 8317 and House Bills 8178, 8315, 8415 and 8369
Financing of RIPTA

To: Chairman Abney and members of the House Finance Committee:

I am Daniel Liparini, a resident of North Kingstown, and I am writing in support of developing a sustainable funding system for our Public Transit system.

RIPTA is vital resource for older adults, who are no longer able to drive. It is necessary for them to get to medical appointments, maintain social connections and be able to age in place with dignity.

There are a number of bills that can help create this sustainable funding source. Please support our older adults by selecting and passing the ones you think would best meet the needs of our state.

Thank you.

Daniel Liparini
