Dear Members of the House Finance Committee,

I am writing to express my support for the Rule of 90 legislation, specifically bills 2023-H-5092 and 2023-S86.

The Rule of 90 is an important measure that recognizes the dedication and long-term service of public employees. It provides a fair and reasonable pathway to retirement for individuals who have contributed many years of service.

Supporting this legislation would help retain experienced workers, improve workforce morale, and ensure that those who have devoted their careers to public service are treated with fairness and respect.

Thank you for your time and consideration of this matter.

Sincerely,
Julie Yang
