Hello!

I support the bill Rule of 90 and so should you. At age 60, I will be an inner city teacher for 35 years. Working another 5 to 7 years beyond that is honestly not a smart decision or in anyone's best interests. Inner city teaching is not an easy job. It is very demanding. I think changing the existing retirement to Rule of 90 is positive for schools and teachers. Please consider voting in favor of it. Thank you!
