Please consider passing the above to bills. I feel this will increase worker flexibility and address staff shortages, especially in Providence classrooms. Also, this will ensure that teacher retirement is commensurate with the private sector. Finally, these bills will make the education fields more attractive to future workers, who are now looking to Massachusetts and Connecticut for employment.

Thank you for your time and consideration.

Renee Richards

3rd Grade Teacher (Integrated ESL)

George J. West Elementary

Providence, RI
