I am writing to express my strong support for the implementation of the "Rule of 90" for Providence teachers.

Ensuring that our educators have a fair and sustainable path to retirement is essential for maintaining the quality of our school system and retaining experienced talent within our community. I believe that adopting this rule is a critical step in recognizing the dedication and hard work of our teachers.

Thank you for your time and for considering my support for this important matter.

Best regards,

Suzy Quinn
