The Honorable Chairman Abney  
House Finance Committee  
Rhode Island General Assembly

RE: Support – Employer Retirement Savings Incentives Act

Dear Mr. Chairman and Committee Members:

Having opened an office in Rhode Island for a national science and engineering firm in 2006, and participated in our company 401k program, I have a keen understanding of the benefits of providing a retirement program for employees. These benefits support both the employer and employee.

I am 100 % supportive of House Bill No. **8189** introduced by Representative Finkelman ENTITLED, AN ACT RELATING TO TAXATION -- EMPLOYER TAX CREDITS FOR RETIREMENT PLAN ESTABLISHMENT, PARTICIPATION AND AUTO-ENROLLMENT.

I request and urge your support for this bill.

Sincerely,

Glenn Almquist  
Retired Senior Principal  
Woodard & Curran.
