Dear House Leadership,

Please make every effort to support and pass H-7313, the Tax Reform Act. The estimated \$200 million in additional annual tax revenue is sorely needed to support public transportation, school lunch programs, and programming for our senior community.

I have spoken with several individuals who are in the earning brackets that will result in their paying additional taxes, and to a person each has indicated a willingness to do so as a nod to fairness and community engagement.

Your support is greatly appreciated.

Sincerely,
