Xaimara Marquez - Rhode Island College Masters in Social Work Student

Providence Resident

Hello, my name is Xaimara Marquez. I currently live in the Providence County. I am writing in support of Representative Alzate's HB-7313. This bill would raise \$203 million a year in revenue for Rhode Island by taxing the Top 1% of income earners in the state. This proposal would create 3% surtax on income above \$640,000 a year in taxable income. This means only 6,100 tax filers would be enough to provide much needed revenue for the state.

I think this is needed because the money can be used to support students who want go continue their education to become earners and contributors to their own communities.

Please pass this bill.
