

Good evening,

My name is Jason Romblad, I am from Woonsocket. I am writing tonight, to voice my opposition to bill #8211. This legislature should not be using taxpayer money to support this scam. Whether this is federal tax dollars or state tax dollars, this money should not be used for this purpose. Covid policies in this state were abysmal and this money should be used to reimburse all the healthcare workers who were terminated for refusing the experimental covid shots. Once again, this legislature is a big fail regarding covid. Please vote against this bill.
