Members of the House Finance Committee:

My name is Bruce Messier, and I am President of Butler & Messier, Inc. in Pawtucket. I am writing in support of the Youth Development Bond funding for the Boys & Girls Clubs of Rhode Island (HB 8489).

As a local business owner, I believe this investment would have a major positive impact on both the youth in our community and the continued revitalization of Pawtucket. The proposed improvements at the Boys & Girls Club of Pawtucket, including upgraded athletic facilities, outdoor learning spaces, and accessible recreational areas, would provide safe and meaningful opportunities for local children and families.

Projects like this strengthen communities, improve quality of life, and support long-term economic growth for our city. The Boys & Girls Club of Pawtucket has been an important part of our community for generations, and this investment would help ensure that impact continues well into the future.

I respectfully urge your support of HB 8489 and the Youth Development Bond.
