

Dear Chairman Abney and Members of the Committee,

On behalf of Meals on Wheels and as a constituent from Gloucester, I write in strong support of H8171, the Food As Medicine Pilot Program.

This legislation establishes a Food As Medicine Task Force to guide a targeted Medicaid pilot program. It builds on existing programs in Rhode Island and ensures future investments are data-driven.

I respectfully urge the committee to support and pass H8171.

Sincerely,

Bill Toll

Meals on Wheels Driver
